

# WARNING

This Fire Indicator Panel is connected to a fire suppression system that contains **ozone depleting or synthetic greenhouse gases**.

Please ensure the **correct procedures** are used when **isolating and reinstating** equipment associated with this fire suppression system.

**Note:** Personnel working on this system are required to hold **a licence** issued by Fire Protection Association Australia for the Fire Protection Industry (ODS & SGG) Board under **Australian Commonwealth Regulations**.

**Fire Protection Industry  
(ODS & SGG) Board**

**Australian Government**  
**Department of the Environment,  
Water, Heritage and the Arts**
